Where design and creativity intersect

We put our manufacturing capabilities at the service of design professionals, providing unparalleled creative freedom to design a truly unique product.

We are proud to introduce our latest offering - a new line of customizable tabletops which can be adorned with any desired design, allowing you to push the boundaries of artistic expression.

Crafted with the highest standards of durability and environmental sustainability in mind, these tables are equally well-suited for outdoor and contract use.

ILMIODESIGN LIMITED EDITION

ILMIODESIGN, iSiMAR Art Directors, have designed 3 collections, with different patterns and colors to introduce this concept to all possible spaces. Textiles, Tiles & Classic offer a wide variety of patterns based on classic designs, textiles and Mediterranean tiles.

Ponemos nuestra capacidad de fabricación al servicio del profesional, ofreciendo la posibilidad de explorar los límites de la imaginación y la creatividad con el fin de crear un producto único.

Iniciamos una nueva línea de mesas personalizadas, en cuyo tablero podrás plasmar cualquier diseño.

Al igual que el resto de nuestros productos, estos nuevos tableros son aptos para uso exterior, así como para uso profesional, duraderos, resistentes y fabricados con materiales respetuosos con el medio ambiente.

Junto con ILMIODESIGN, hemos creado 3 colecciones con diferentes patrones para llevar este nuevo concepto a cualquier espacio. Textile, Tiles y Classic ofrecen una amplia variedad de diseños basados en textiles, diseños clásicos y azulejos mediterráneos.

Available for all our table bases / Disponible para todas las bases de nuestras mesas

MATERIALS

MDF Water-repellent / MDF Hidrófugo

MDF Hydrophobic are wood fiberboards (MDF) for use in humid environments.

Wood fiberboard, MDF (Medium Density Fibreboard) and HDF (High Density Fibreboard), is a natural material of plant origin, derived from the processing of wood waste. The fiber is produced by pressing wood waste by adding glues or resins to keep the board compact.

MDF Hidrófugo son tableros de fibras de madera (MDF) para uso en ambiente húmedo.

Los paneles de fibra de madera, MDF (Medium Density Fibreboard) y HDF (High Density Fibreboard), son un material natural de origen vegetal, procedente del procesamiento de residuos de madera. La fibra se produce presionando los desechos de madera mediante la adición de colas o resinas para mantener el tablero compacto.

Suitable for outdoor use: UNE-CEN/TR 581-4: 2006 IN
Apto para exterior UNE-EN/ ISO 4892-2: 2014

Surface resistance: UNE-EN 438-2
Resistencia superficial

Suitable for outdoor

Easy to clean and maintain
Fácil limpieza y mantenimiento

Impact and friction resistant
Resistente al impacto y al rozamiento

Paints / Pinturas

We use a texturized matte polyester powder coat specifically for galvanized steel and aluminium which is compliant with regulations for exterior and contract use. Excellent mechanical properties and resistance to outdoor. It respects the environment and complies with the European Directive on "Restriction of the use of certain hazardous substances".
Neutral salt spray test: C5H - ISO 12944-2/6 (Qualisteel-coat).

Utilizamos recubrimiento en polvo poliéster texturado y mate específico para acero galvanizado y aluminio. Cumple con normativa para uso exterior y contract. Excelentes propiedades mecánicas y resistencia a la intemperie. Respeta el medio ambiente y cumple con la Directiva Europea de "Restriction of the use of certain hazardous substances".
NSS Test: C5H - ISO 12944-2/6 (Qualisteelcoat).

Suitable for outdoor
Apto para exterior
